2018-2022

EXPERIENCE

STOCK ROOM COORDINATOR

Tommy Bahama 2020-Current

- Adapted quickly to new software systems for managing inventory data, ensuring seamless transition during technology updates.
- Implemented loss prevention measures, minimizing instances of theft or damage within the stockroom environment.
- Consistently met or exceeded organizational goals related to order fulfillment speed, stock accuracy, and customer satisfaction.
- Supported sales team by providing accurate inventory information for customer queries and special requests.

MATH TUTOR

Mathnasium Learning Center 2020-2023

- Explained math concepts in a caring and encouraging environment to help kids thrive and learn.
- Supported students with helpful study habits and exam strategies.
- Boosted student confidence in problem-solving by providing individualized support and targeted feedback during tutoring sessions.
- Implemented creative problem-solving techniques to make complex mathematical concepts more accessible to all learners.
